

site and extend their possible cooperation and suggestions towards completion of the project. The beneficiaries present in the meeting unanimously welcomed it.

5. The beneficiaries present in the meeting also requested that the draw for allotment of specific dwelling units and floors to the beneficiaries should be conducted at the Project Site at Chennai instead of conducting the same in the office of CGEWHO in Delhi. CEO, CGEWHO assured the beneficiaries to consider this request keeping in view the technical feasibility for doing this process at Project Site as also the availability of a Ministry representative at the Project Site.
6. The meeting ended with a vote of thanks to the Chair.
