All Demand Survey Respondent(s) of PUNE / NAGPUR / DEHRADUN / PATNA / THIRUVANTHAPURAM.

Sir/Madam,

After a long silence, we are writing to the demand survey respondents of all the above station for the updated information for acquisition of land from concerned state governments on allotment. In this regard, Joint Secretary (HUPA), M/o HUPA has written letter to the concerned Chief Secretary of the state with a follow up letter from the CEO/CGEWHO, subsequently. We are eagerly waiting/expecting for a response in the form invitation to see land offered by the respective state, failing which CGEWHO will try for land from private sources floating a turnkey contractor after the necessary approval from the competent authority. These processes may take considerable time to complete which ultimately, lead to announcement of a housing scheme at your desired station.

2. The list of demand survey respondents has been displayed in our website with the following link : (<http://www.cgewho.nic.in/DMANDSRVY.htm>).

3. In view of the above, it is to convey you that you may withdraw your application from the above demand survey by filling up the enclosed FORM with his/er latest address. *{if the address, displayed in the website is now been changed}*.

Yours faithfully,

Encl. As stated
